### List of Banks in Peer Group

Provides a list of banks within each peer group including selected identifying data and financial information. May be sorted. UBPRs for individual banks may be selected from the list.

### Peer Group data report

Provides peer group average data in UBPR page format by peer group. All peer groups including line-of-business peer groups are included. May be used to compare data across peer groups. For banks that may be changing peer groups this report provides an advance look at the new peer group. This information also appears in the UBPR for an individual bank.

## **Peer Group Distribution Report**

Provides an array of the values that underlie peer group averages in UBPR page format. Values ranging from the first to the 99th percentile are displayed. This report is particularly useful for understanding in greater detail the makeup of peer group average ratios.

## **State Average Report**

Provides selected performance ratios in UBPR page format averaged by state. May be used to compare results across states. This report is also displayed as a part of an individual bank's UBPR.
